

SPIRAL RAISES — WEINSTEIN

Opener may raise responder's major to 2M on 3- OR 4-card support.

Instead of relaying first, responder bids naturally to find a 4-4 fit, or asks with 2N for opener's range and support length.

After 1♦ 1♥ 2♥, responder may bid:

- 2♠ natural, 4+ ♠, looking for the 4-4 spade fit
- 3♦ natural game try (forcing)
- 2N forcing, asks opener to describe. Opener answers:

3♣ minimum, 3-card support

3♦ maximum, 3-card support

3♥ minimum, 4-card support

3♠ maximum, 4-card support

After 1♦ 1♠ 2♠ the ask is again 2N with the same four answers; here 3♥ is the natural 4-card heart bid (seeking the 4-4) and 3♦ is the natural game try.

The guiding idea: don't fixate on 3- vs 4-card support — show the rest of your hand, and bid naturally to find the 4-4 fit.
